

THE EPIC PLAN

Reception

The pages below will help us determine how you would like to celebrate with you and what vibe you would love to create throughout the night.

Our reception planner follows a standard day-of timeline, but is easily customizable. If you have any questions, please do not hesitate to ask. You can schedule a phone chat or office appointment online. We can offer lots of great suggestions that will fit your particular needs.

EPIC requests that forms be returned at least 1 week before your scheduled wedding date.

Even though you're growing up, you should never stop having fun.

INSTRUCTIONS

The EPIC plan follows a standard day-of timeline for a wedding reception as a default. Simply go right down the page and number the order of your events throughout the night.

If you would like to change the order of events, you can do so by numbering each event in the parenthesis () to the left of each event's heading. For example if you wanted to cut your cake after your first dance and your first dance is the 3rd event taking place, mark the cake 4th in the parenthesis ().

If you don't want to do a particular event on this form, simply put an X where the number goes.

If you would like to view song suggestions for individual events, please visit www.epiccharleston.com/songs

***After completing the order of events on this page, each event has it's own section on the pages below.**

Special instructions regarding requests?
--

Music is NOT just music at a wedding. The ideal end goal of a good wedding playlist is to let all the guests feel like they heard something they really liked. If all your guests are happy, you will be happy as well.

Remember these 3 things: Weddings are parties, Parties are fun. Play fun music for everyone.

If you have specific song requests, please see the last page of this form. The grid below is for establishing an overview of your taste. Place an X in the column that best fits your taste.

() LAST SONG

An ideal last song is a song that each and every single one of your family and friends will know and enjoy. This can be a huge moment at a wedding if everyone is having fun and there's nothing better than going out with bang. Think of a song your friends and family love.

If nothing in particular comes to mind, we can definitely choose a good one for you in the moment. Just write that you would like us to choose.

Artist/Song:

() DEPARTURE

How are you leaving? (Limo, golf cart, helicopter, etc.) _____

Do we need to tell the guests anything? Is there an after party? _____

Will guests receive sparklers, glow sticks, bubbles etc.? _____

SPECIFIC SONG REQUESTS

One of the great things about celebrating with EPIC is that you are not responsible the music played if you don't want to be. We are completely capable of selecting great music for your friends and family all night. No wedding is the same and we know how to make it fun in a way that makes sense for your unique wedding.

That being said, we absolutely do want to know about any music you absolutely MUST here at your wedding. Give us songs you love. Don't worry about filler songs.

We'll be able to better understand what you want if you just send us what you truly love!
